North Tahoe Regional Park Sled Hill and Snowmobile Track Rides to Open Thanksgiving Day

Tahoe Vista, CA – The North Tahoe Public Utility District and North Tahoe Winter Adventures are pleased to announce the Thanksgiving Opening of the Sled Hill and Snowmobile Track Rentals at the North Tahoe Regional Park. Beginning, Thursday, November 25th the sled hill and snowmobile rentals will be open daily from 10 AM – 4 PM.

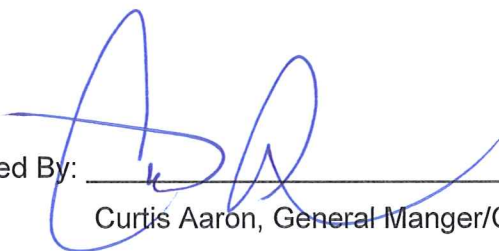

The cross country trails in the Park were groomed for the first time this season on Tuesday, November 23rd and will be groomed again during the Thanksgiving Holiday weekend.

There is no set schedule for grooming the trails at the Park. Snow conditions, available personnel, temperature, budget and grooming needs of the Concessionaire at the sled hill are all factors that determine when the groomer is in operation. At a minimum, our groomer operator attempts to prepare the trails before the weekend (Friday evening) and repair after the weekend (Monday morning) but this is not always possible if the snow depth and temperatures are not conducive to grooming or trained staff are not available.

The North Tahoe Regional Park and its facilities are open from 7:00 AM to 5:00 PM. All vehicles must be removed from the Park before 5:00 PM. More information can be found on the District's Park Facilities website, www.norhtahoe parks.com and then navigating to the North Tahoe Regional Park page. Grooming status is indicated on this page.

For more information regarding the sled hill and snowmobile track rides, please contact North Tahoe Winter Adventures at 530-546-0605.
